The Prince (Italian: Il Principe [il ʔprintʔipe], Latin: De Principatibus) is a 16th-century political treatise written by the Italian diplomat and political theorist Niccolò Machiavelli as an instruction guide for new princes and royals. The general theme of The Prince is of accepting that the aims of princes - such as glory and survival - can justify the use of immoral means to . . .

He can choose only one woman. He chose her... Spoiled socialite Jillian is at the Royal Palace for a party when the King's Advisor pulls her aside. He informs her that she's been selected to be the Prince's personal plaything for the remainder of her days, or until he releases her from servitude. It is her duty as a loyal subject to try and please him, no matter what the cost to her pride. Jillian stares at the handsome Prince in shock as the guards lock the jewel encrusted collar around her neck. He doesn't even like her! He's been giving her odd, dark looks for years. What she doesn't realize is that he's been biding his time, waiting for her to grow up, to be ready to be Chosen By The Prince...

If you love the danger and sword-fighting of MERLIN, you'll like this! In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point - he must be chosen to play the prince or he will certainly be killed. As Sage's journey continues, layer upon layer of treachery and deceit unfold, until finally a truth is revealed that proves more dangerous than all of the lies put together.

I was reluctant to fall in love, but it took him no time to pull me in... One day, a gorgeous man appears in front of Gemma at her job. Tristan Marco, a mysterious billionaire, wants her to plan a party at a high-end hotel. And he’s come all the way from Montovia, a country in Europe. Tristan invites Gemma on a cruise, and unable to resist his charms, she accepts. Though she’s wary of the dangers of love at first sight, Gemma’s heart is taken with Tristan, not knowing that he’s actually the Prince of Montovia!

Prince Jothri didn't want a wife. Milkmaid Alessandra Shipbourne CERTAINLY didn't want a husband. But the law was clear. The prince of Westhaven must sire his heir on a commoner. And with both the land and their own desires driving them together, only a fool would try to stand between. Alessandra will need her wits about her, because she has been "Chosen By The Prince!" ~~~~~ Excerpt ~~~~~ Her voice, when she spoke, was deeper than usual, with a slow, rolling cadence which was older than the hills. "The Land speaks through me. What is the desire of the Lord who comes before me?" Jothri stood. In the low light, wrought of candlelight and the low glow of the fire on the hearth, his body was magnificent, golden red, like bloodstained gold. His eyes were deep and shadowed, and she saw, with a stab of triumph, that the fabric at his loins could no longer disguise the signs of his swelling arousal. "I am the Lord." His voice was deep and steady. "I come to claim the Land for my own. Mine and the heirs of my body." A wave of displeasure rolled through her. This one is arrogant. He will need to be taught a lesson. She raised her chin haughtily. "I am the Land. I submit to no Lord who does not kneel before me." As if it were the most natural thing in the world, Jothri bowed his head, kneeling before her. "I am the Lord. I come seeking the Land's blessing." His position put his head nearly at the level of her groin, and Alessandra stifled a wild impulse to pull up the hem of her robe and demand that he kiss her throbbing womanhood until she climaxed. "Disrobe, my Lord," she murmured, somehow hiding her panic. "Let us see what you have to offer the Land." His hands flew to the waist of his robe, and she knew he was aroused as she. It took only moments before he was nude, standing before her proudly. Her legs grew weak, and before she knew what she was doing, she had fallen to her knees. "So lovely," she whispered, bending forward. It was impossible to resist. The tip of her tongue flickered out, laying a daring kiss on his skin. His taste was divine. Clean soap and male musk and the faintest acrid tang of his sweat, all combining to make him irresistible. She murmured, voiceless, deep in her throat, her body raging for release, as she licked him. His taste burst on her tongue in an explosion of pleasure, and before she knew it, her mouth was open wide, only a hairbreadth from swallowing him whole. Stupid, wretched slattern! The voice was a whip-crack in her mind. Will you ruin everything? Do you want him to spill his seed uselessly in your mouth or on your body? Your child will be queen. But only if you don't make a bloody stupid balls of it. Stop it. Stop it now! Although it was close to agony, somehow, shaking, she pulled away, raising her head and letting him escape her mouth. Above her, Jothri was shaking like a fly-stung horse, the muscles of his stomach jumping and trembling spasmodically. "Oh no," she teased, hiding how close she had come to losing control. "You will not spill your seed on barren ground, my Lord." Why was she still wearing this stupid robe, she thought with a trace of her old irritation. She undid the knot and let it fall to the floor, at last leaving her naked with her lifemate. Teasingly, she ran a finger down her breasts to her stomach, pausing below her navel. "Only within my fertile valley will it take root. "Are you the plowman I have been looking for?"

Addy is a farmer in upstate New York. Tol is the prince of a dying magical race. Both are trapped in lives they didn't choose. 18-year-old Addy has spent her entire life in a small town, where the most exciting activity is watching corn grow. That is, until seven-foot warriors crash through her front door. They kidnap her sister and then try to kill her. As she faces their swords with nothing but her fists, she’s saved by a man who obliterates her enemies without laying a finger on them. His name is Tol, and he claims to be a magical, mind-controlling prince. Tol has spent his life searching for the human girl with the power to save his ruined world. Now, he's finally found her. But Addy can't afford to risk her life for a world she never knew existed. She is consumed by one thought...rescuing her sister. There is only one chance for them to get what they desperately need. For it to work, Tol and Addy must sacrifice the one thing they are both fighting to keep: their freedom.

Ivy Madison comes to Prince Damian Aristedes claiming she's carrying his child...even though he's never even met her before. Her odd tale includes artificial insemination and car crashes, and Ivy doesn't want anyone but Damian to know. Slowly they begin a relationship, but will it ever be more than just Damian dutifully claiming his unborn heir? Will Ivy find a bit of love in her prince's arms, or will she regret ever letting him know about the child growing within her?

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world.

Haden Lord, the disgraced prince of the Underrealm, has been sent to the mortal world to entice a girl into returning with him to the land of the dead. Posing as a student at Olympus Hills High—a haven for children of the rich and famous—Haden must single out the one girl rumored to be able to restore immortality to his race. Daphne Raines has dreams much bigger than her tiny southern Utah town, so when her rock star dad suddenly reappears, offering her full tuition to Olympus Hills High's prestigious music program, she sees an opportunity to catch the break she needs to make it as a singer. But upon moving into her estranged father's mansion in California, and attending her glamorous new school, Daphne soon realizes she isn't the only student in Olympus who doesn't quite belong. Haden and Daphne—destined for each other—know nothing of the true stakes their fated courtship entails. As war between the gods brews, the teenagers' lives collide. But Daphne won't be wooed easily, and when it seems their prophesied link could happen, Haden realizes something he never intended—he's fallen in love. Now to save themselves, Haden and Daphne must rewrite their destinies. But as their destinies change, so do the fates of both their worlds. A pulsating romance of epic proportions, Bree Despain's The Shadow Prince will leave her fans breathless for the next book in the Into The Dark series.

In the Diamond Kingdom lives a cursed prince whose mood swings influence the weather. The constant winter makes living there almost unbearable. Yet, no one can leave since they are all as cursed as their prince. Each year a maiden is chosen to be sent to the Diamond Palace. The people hope that she ends the curse that plagues their kingdom and afflicts their prince. This year, it's Claire's turn. Everybody expects her to succeed where others have failed. Included her best friend and her parents. But the cold prince presents himself a bigger challenge than she expected, and the one who cursed the prince doesn't like to play by the rules. A cursed prince with a heart of ice who no longer believes he can be saved. A maiden with an attitude and fairies sidekicks. A powerful witch who doesn't want the curse to be broken. What can possibly go wrong?

Garth Nix, bestselling author of the Keys to the Kingdom series and Shade's Children, combines space opera with a coming-of-age story in his YA novel A Confusion of Princes. Superhuman. Immortal. Prince in a Galactic Empire. There has to be a catch... Khemri learns the minute he becomes a Prince that princes need to be hard to kill—for they are always in danger. Their greatest threat? Other Princes. Every Prince wants to become Emperor and the surest way to do so is to kill, dishonor, or sideline any potential competitor. There are rules, but as Khemri discovers, rules can be bent and even broken. There are also mysteries. Khemri is drawn into the hidden workings of the Empire and is dispatched on a secret mission. In the ruins of space battle, he meets a young woman, called Raine, who challenges his view of the Empire, of Princes, and of himself. But Khemri is a Prince, and even if he wanted to leave the Empire behind, there are forces there that have very definite plans for his future.
