I have an original for the
206RB and downloaded
the manuals from
Consew for the
206RB-5 and the parts
manuals. The 206RB-1
has an improved

File Type PDF Consew 206rb

lubrication system and the 206RB manual does not cover it. I can buy a PDF version from ebay if all else fails, but I thought someone on this forum ought to have a pdf copy handy.
