Philosophy and the Young Child. □ This is a truly delightful little book, to be savoured by anyone with an interest in either philosophy or children. Clearly, precisely, entertainingly, Gareth Matthews reminds us of some simple, important, yet half-forgotten truths about them both. □□Don Locke, The Times Literary Supplement.

Philosophy for Children, sometimes abbreviated to P4C, is a movement that aims to teach reasoning and argumentative skills to children. There are also related methods sometimes called "Philosophy for Young People" or "Philosophy for Kids". Often the hope is that this will be a key influential move towards a more democratic form of democracy. However, there is also a long tradition within higher education of developing alternative methods for teaching philosophy both in schools and colleges. Alth
