Here are the bibles I've had the pleasure of scanning into posterity. Unless otherwise noted, all are scanned from original sources. Image size and clarity is in the process of being tweaked--page thumbnails for each entry are a bit fuzzy at the moment.

~~The Bibles - Tijuana bible~~

Tijuana bibles are small, cheaply-made, pornographic publications. Also known as "dirty little books" or "eight-pagers," Tijuana bibles emerged in the 1930s and remained popular through the 1940s, finally disappearing in the post-World War II period. Being underground erotic publications, there were no designated publishers or organizations creating the books; despite that, each adheres to a fairly consistent format.

Tijuana Bibles would disappear by the late-1950s at precisely the time men's magazines and mimeo publications exploded. Magazines such as Nugget , Playboy and Rogue as well as C: A Journal of Poetry and Fuck You, a magazine of the arts , all owe a debt to these earlier alternative, underground publications.

The name - Tijuana Bibles - can be traced back to Southern California in the 1940s, but little else is actually known about these mysterious little magazines. Tijuana carried with it an air of intrigue for Americans whose only real knowledge of the place was whispered by the mouths of a bootlegger or soldier's friend.

Read Online The Tijuana Bible

Tijuana Bibles are self sufficient, self-explanatory. There they are and that s what they are. And that s where the mystery starts. Tijuana Bibles, also known as 8 Pagers, were probably the first books of new comic character material produced regularly, but because of their nature very little is known about their production and distribution.

~~Tijuana Bibles | Tom Christopher~~

Tijuana Bibles. Tijuana Bibles are small eight-page publications of cartoon erotica and pornography that became popular during the 1930's and 1940's in USA and are commonly described as 'eight-pagers' or 'dirty little books'. The term "Tijuana bibles" was first noted in Southern California in the late 1940's and refers to the belief that they were manufactured and smuggled across the border from Tijuana, Mexico.

First-ever collection of America's underground pornographic comics from the 1930s to the 1950s. Known as Tijuana Bibles, these highly explicit comic books constitute a fascinating view of the unknown, erotic America of that turbulent era. day I think these little comics are everything pornography ought to be - dirty, antisocial, funny, borderline psychotic. What an art form! - P.J. O'Rourke 'Charming and evocative, these artefacts present a little-known cultural history' - the New Yorker

Tijuana Bibles were palm-sized, underground, explicit comic books. Produced in the United States, they were extremely popular in the 1920s and 30s. Most artists were unknown, as the publication of this explicit work was illegal at the time. For the first time in recent history, these obscure works are now brought back to light. Included within this collection are over forty original comics and a short essay about the history of this uniquely American medium. During the Great Depression era of the 1930s, "Tijuana Bibles" were called eight-pagers, Tillie And Mac books, Jiggs and Maggie books, Jo-Jo books, bluesies, blue bibles, gray backs and two by fours. In the 1940s they were simply called "Dirty Little Comics", and by the early 1950s these glorious works of dirty art would finally be known as "Tijuana Bibles" - a term still in use today. The term "Tijuana Bible" originated in southern California, playing on the untrue belief

that these cheap little comics were manufactured and smuggled across the border from Tijuana, Mexico. This seedy backstory only added to the smutty appeal of these comics. They were sold under the counter for a quarter anywhere men hung out: bars, bowling alleys, auto-shops, tobacco stores, barbers, burlesque halls and tattoo parlors. If a gentleman knew the right second hand bookstore or magazine stand, he could ask for the latest blue bible. The artistry of these images is simply amazing. It's clear where groundbreaking artists of the 1960s such as R. Crumb drew inspiration from: Tijuana Bibles! With pen names such as "Mr. Prolific", "Mr. Dyslexic" and "Blackjack" the artists in this pictorial history of Tijuana Bibles and the underground adult comics of the 1920s through the 1950s worked under great legal risk to bring their work to the public. Today we should celebrate with a smile the brilliant artistry and bold bravery for creating art during such a repressed time. We look to these early artists for inspiration and amusement.

Tijuana Bibles compiles the first five volumes of the extremely popular and classically titillating Eros series Tijuana Bibles (10 volumes total). This title transcends categorization ! It delivers goods and makes an excellent gift item while doubling as a historic artifact and social document ! Also a popular item in art galleries, TIJUANA BIBLES HC displays the finest reproduction of America's foremost and forgotten folk artists !!!

A collection from risqué comic books of the 1930s, 1940, and 1950s that poke erotic fun at the celebrities and issues of the day

Welcome to the ninth volume in this long running series of vintage porn comic from the past. This one focuses (once again) on the cartoon women straight off the pages of the Sunday funnies from those dear departed days. You may not recognize a lot of these women -- Dixie Dugan, Fritz Ritz, Black Cat, Astra, Fanny, Connie, Tillie the Toiler, Boots, Dumb Dora, Winnie Winkle, and even a few who are still around -- but in their day they were the cat's pajamas, the bee's knees so to speak: These sassy girls were drawn with a little bit of sex appeal to brighten up dad's morning as he perused the comics with his toast and coffee. Although never as explicitly as in these under-the-counter eight-page triple-X extravaganzas.

Our latest edition of this very popular series of reprints of classic 1930s "Tijuana Bible" comics, as always lovingly assembled by editor Michael Dowers and with a snappy new cover by Pat Moriarity! This volume focuses in particular on the pre-WWII Bibles, in which it was commonplace to find some of the most celebrated comic book characters and movie actors of the day engaged in wild sex acts with their clothes off, doing the "great nasty" with no shame whatsoever. (In this volume, Popeye and Wimpy, Moon Mullins, and Harold Teen are part of the hijinks.) Before TV and the internet, and before the commercial pornography industry we have today, these little 8-page booklets were the beginnings of the immense smut business we enjoy today. Nostalgia hounds, fans of classic porn, and anyone who ever wanted to see Popeye get down and dirty will enjoy this book.
