The entire conceit of The Walking Dead was to take a realistic look at what would happen to the world following a zombie apocalypse. Comic book creator Robert Kirkman said he loved zombie movies, but hated how they just ended. This could explain why the series decided to forgo scenes of the initial outbreak and pick up when the real survival and rebuilding had just begun.

In the last volume we learned that no one is safe. Now after the staggering losses they've sustained, Rick and Carl are left to pick up the pieces and carry on... knowing that they could join their fallen friends and family at any moment. Collects issues 49-54.

It always comes down to this: At any moment, a zombie could leap out of the shadows and end your life. At last, it seems like there is a cause that unites mankind to end all our petty squabbles. But no. It's never that simple. Now Rick has a gun to his head.

They thought they were safe in the prison. They were wrong. A force far more deadly than the walking dead is at their door and when the dust settles, their rank will be decimated. No one is safe! Collects issues #43-48.

Lori's pregnancy has come to term - the birth is near. After everything they've been through, though, can anything prepare Rick and the other survivors for what they are about to experience? A major turning point in the series is reached. Collects issues #37-42.
