The Widow is a Jacobean stage play first published in 1652, but written decades earlier. On the limited evidence available, the play is usually dated to c. 1615-17, partially on the basis of a "yellow bands" reference to the execution of Mrs. Anne Turner (15 November 1615) for her part in the murder of Sir Thomas Overbury.

The Widow is the story of two outcasts and their fatal encounter. One is the widow herself, Tati. Still young, she's never had an easy time of it, but she's not the kind to complain. Tati lives with her father-in-law on the family farm, putting up with his sexual attentions, working her fingers to the bone, improving the property and knowing all the time that her late husband's sister is scheming to kick her out and take the house back. The other is a killer. Just out of prison and in search of a new life, Jean meets up with Tati, who hires him as a handyman and then takes him to bed. Things are looking up, at least until Jean falls hard for the girl next door. *The Widow* was published in the same year as Camus' *The Stranger*, and André Gide judged it the superior book. It is Georges Simenon's most powerful and disturbing exploration of the bond between death and desire.

"The Widows kept me on the edge of my seat. Montgomery is a masterful storyteller." —Lee Martin, author of Pulitzer Prize-Finalist *The Bright Forever* Inspired by the true story of Ohio's first female sheriff, Jess Montgomery's powerful, lyrical debut is the story of two women who take on murder and corruption at the heart of their community. *Kinship, Ohio, 1924*: When Lily Ross learns that her husband, Daniel, the town's widely respected sheriff, has been killed while transporting a prisoner in an apparent accident, she vows to seek the truth about his death. Hours after his funeral, a stranger appears at her door. Marvena Whitcomb, a coal miner's widow, is unaware that Daniel has died and begs to speak with him about her missing daughter. From miles away but worlds apart, Lily's and Marvena's lives collide as they realize that Daniel was perhaps not the man that either of them believed him to be. *BONUS CONTENT: This edition of *The Widows* includes a new introduction from the author and a discussion guide "The Widows is a gripping, beautifully written novel about two women avenging the murder of the man they both loved."—Hallie Ephron, New York Times bestselling author of *You'll Never Know, Dear* "Jess Montgomery's gorgeous writing can be just as dark and terrifying as a subterranean cave when the candle is snuffed out, but her prose can just as easily lead you to the surface for a gasp of air and a glimpse of blinding, beautiful sunlight. This is a powerful novel: a tale of loss, greed, and violence, and the story of two powerful women who refuse to stand down."—Wiley Cash, New York Times bestselling author of *The Last Ballad*, *A Land More Kind than Home*, and *This Dark Road to Mercy* "[A] flinty, heartfelt mystery that sings of hawks and history, of coal mines and the urgent fight for social justice."—Julia Keller, Pulitzer Prize-winning author of *Bone on Bone*

The second standalone thriller from the award-winning author of *The Nowhere Child*, Christian White. Set against the backdrop of an eerie island town in the dead of winter, *The Wife and The Widow* is an unsettling thriller told from two perspectives: Kate, a widow whose grief is compounded by what she learns about her dead husband's secret life; and Abby, an island local whose world is turned upside when she's forced to confront the evidence of her husband's guilt. But nothing on this island is quite as it seems, and only when these women come together can they discover the whole story about the men in their lives. Brilliant and beguiling, *The Wife and The Widow* takes you to a cliff edge and asks the question: how well do we really know the people we love?

Get swept up in the thrilling mystery of this classic romantic suspense by New York Times bestselling author Carla Neggers. Four days after Abigail Browning's wedding, her life changed unimaginably: her husband was fatally shot along the rocky Mount Desert Island coast. Was it a random act of violence, or could someone have wanted Christopher dead? The question has haunted Abigail, now a homicide detective, for the past seven years. Determined to find her husband's killer, she returns to the foggy Maine island after receiving an anonymous tip. Is it just another false lead, or can she finally prove that Chris was murdered? Owen Garrison, the search-and-rescue worker who located Chris too late to save him, still carries guilt from that fateful night. As he helps Abigail unravel the mystery, they learn that the layers of deceit are even thicker than they could have imagined. Now it's up to Abigail and Owen to keep pushing for the truth—and stop a killer from striking again. Originally published in 2006
