Set in hardscrabble farming country around the show jumping circuit that flourished in Australia prior to the Second World War, Foal's Bread tells the story of two generations of the Nancarrow family and their fortunes as dictated by the

vicissitudes of the land. When Noah Childs meets Roley Nancarrow at a country show, a union is forged which will last the length of their lives. Their love finds its greatest expression in their lucky charm, a heart-shaped foal's bread which hangs from a string in their doorway, reminding them to 'hope on, hope ever.' Their story is one of impossible beauty and sadness, a chronicle of dreams turned inside out and miracles that never last, framed against a world both tender and unspeakably hard. Written in luminous prose and with an aching affinity for the landscape the book describes, Foal's Bread is the work of a born writer at the height of her considerable powers.

Shamanic practices to access your spiritual blueprint, communicate with the universal mind, and transform in to your highest spiritual self • Explains how to tune in to imaginal cells to heal the past, activate the shaman within, and download information from the future • Includes shamanic breathwork practices and rituals to open access to your spiritual blueprint--the hologram of who your highest, best self is meant to be--and be more potent and powerful in the present We are in a highly transitional time on Earth as old structures break down in preparation for the new world that is coming. The accelerated pace of this time of spiritual evolution is forcing each of us to awaken the shaman within and reach our highest potential as quickly as possible. We no longer have the luxury of learning only from the past--we must also download information from the future in order to be fully present, fully conscious, in our most embodied and best self now. Incorporating the wisdom teachings of Seneca Wolf Clan Grandmother Twylah Nitsch with shamanic journeys and shamanic breathwork practices, Linda Star Wolf and Anne Dillon explain how to heal the past, learn from the future, and activate the imaginal cells within our human energy field. Imaginal cells are the energies of what has already happened and will happen stored in the blueprint of the invisible world. By tuning in to these imaginal cells, you can open access to your spiritual blueprint--the hologram of who your highest, best self is meant to be--and accelerate your evolutionary potential in this lifetime. Including information received by Star Wolf from the future, the book explores how to develop a communication link with the universe, receive guidance from the universal mind, and draw information from the future to be more potent and powerful in the present, live in harmony with one another and the planet, and fully prepare yourself for the new world to come.
